The court is holding over \$21,000 from the sale of seized guns and other items. *See* ECF No. 156. I approved a substitute consignee in January, 2020. ECF No. 170. I do not know whether additional items have been sold since then, and whether it is likely any more will be sold.

In order to move this matter to resolution, all interested parties and the consignee shall confer about the status of the consignment sales and a plan and timeline to wrap up this matter. The parties shall file a joint status report by April 23, 2020. If the parties cannot reach agreement, the joint report shall contain a **short** statement of their respective positions. If the parties believe a briefing schedule is needed, that should be included in the joint report.

DATED this 3rd day of April, 2020.
